

High-Risk Manhunt Operations

This five-day course develops the skills law enforcement & correctional officers need when tasked with finding dangerous fugitives in an open-air environment. The course is presented utilizing limited classroom presentations, realistic field/range exercises, force on force scenarios with role players, a tabletop exercise and a final functional exercise designed to allow practice of the skills learned in a realistic incident. The course is limited to 8 students.

Topics:

- Visual tracking
- Tracking team tactics
- Grid search team tactics
- Integration of K9 into tracking team operations
- Coordination with aviation assets
- Patrolling tactics
- Rural take downs
- Land navigation with map, compass & GPS
- Map coordinate systems
- Firearms skills for high-risk manhunt operations
- Incident command considerations

VA officers will receive 40 hours of DCJS in-service credit
