

Law Enforcement Protective Operations

Session 1: July 8th – 12th, 2024

Session 2: July 29th – August 2nd, 2024

Crater Criminal Justice Training Academy

6130 County Drive Disputanta, VA 23842

This 5-day course prepares law enforcement officers to participate in local protective operations for a high-profile dignitary, witness, or prisoner. Protective operations that have national implications will be reviewed with an emphasis on local law enforcements' role in these operations. Officers will also learn how to identify security concerns and conduct mitigation planning for special events where a potential threat to the public exists.

Topics:

- Advance security surveys
- Organization of a dignitary protection team
- Foot formations for protective operations
- Protective operations firearms skills
- Vehicle motorcade operations
- Route survey and security selection
- Vehicle arrival and departure drills
- Special event security planning
- Practical exercises

Required Equipment:

- Pistol with 200 rounds of ammo & 3 magazines
- Concealable hip holster and magazine pouches
- Front opening jacket to cover hip holster & suitable for range training (no pullover jackets)
- Eye & ear protection
- Laptop computer

\$500 for non-member agencies
